Next Friday, right at the Halle des Musikzentrums in Hannover, we will perform a full show as part of the show called Alternative Sounds. This event is brought to you by the Musikzentrum's staff itself and they did a great job preparing the show.

One Strike Left, Selmore Drive By and Ducs will be on stage with us that Friday and you can be there for 4 Euro per ticket. See the contact section below and give us a message if you want to have your ticket!

Our show will include new material we haven't performed live so far! So come around and hear for yourself what is coming on our album this year!
